BURBANK PARK CAMPGROUND & HALL

(403) 885-5335

Located 10 minutes north of Red Deer, Burbank Park offers 22 single sites, four group

sites and a rustic hall. (The group sites would be similar to the overflow sites at the St. Albert track)

Amenities include baseball and basketball areas, canoeing, fishing, a small playground,

picnic tables, firewood for sale, a public phone, loonie showers, flush toilets and more.

CROOKED TREE RV PARK

(403) 314-9577

If you're RVing, Crooked Tree RV Park is the place for you. With 46 full-service and

unserviced sites, Crooked Tree offers a peaceful countryside setting only 3 km northwest

of Red Deer city limits. Golf to your heart's content at Spirit Creek Golf Course, picnic in

the park, play in a playground or lounge by the fire

LIONS CAMPGROUND - CITY OF RED DEER

(403) 342-8183

An inner-city location makes Lions Campground in Red Deer a convenient getaway.

Located on the Red Deer River, campers can enjoy hiking and biking trails, horseshoe

pits and a playground, plus all the amenities a city of 89,000 has to offer, at your disposal. (*It is my understanding that this campground does not take reservations*)

I hope this helps everyone in making their travel plans. If you need any other info,
